### Quinta de Fafide

#### Portugal - Douro

Quinta de Fafide estate is located on the outskirts of Sao Joao da Pesqueira, at an altitude between 550 and 650 meters. The grapes are generally harvested in October, with the altitude allowing them to ripen without water stress.

Extremely fresh, this wine shows the freshness of the grapes. Very intense and elegant aromas that are dominated by plum jam and perfectly balanced with toasty notes from the aging in French oak barrels. Excellent tannins on the palate, with a long and lasting finish.
