RJ Rockers Brewing Company

United States - South Carolina - Spartanburg

This hearty American pale ale contains a rich blend of spices that warms the soul on a cold winter's night. Chill the mug, stoke the fire, and savor this quality seasonal brew.

The First Snow Ale is an American-style pale ale, moderately hopped with Willamette and Czech Saaz. It also happens to have 15 pounds of honey and almost every spice in the cabinet thrown in: cinnamon, nutmeg, clove, orange peel and allspice.
