

Sunset Hills Red

Sunset Hills

United States - Virginia

"The lighter style that Sunset Red offers widens the scope of the wines here at Sunset Hills Vineyard. Delicate and youthful, the structure of the Sunset Red is carried by its acidity and bright fruit notes, rather than heavy oak or tannins. We want this wine to be enjoyed young—with the fruit notes still bright and vibrant. " - Corry Craighill, winemaker

Notes of brambled blackberry, raspberry, plum, and forest floor. Light in body, leaning on acidity rather than tannins. Youthful and vibrant!

Specifications
