Vinsacro Blanco Rioja Bodegas Escudero

Spain - Rioja - Rioja

The grapes for Vinsacro Blanco come from vineyards located in Grávalos, on the southern sloping side of Mount Yerga, at the foothills of the "Cordillera Iberica." Vineyards are at an altitude of 700-800 meters.

Bright straw yellow color. Aromas are intense and elegant, with floral and fruity notes. Balsamic and spicy aromas with toasty notes derive from the light aging in oak and bottle maturation. Very cool and structured; unusually powerful for a white wine - this one is full of suprises.
