

## Waterstone Chardonnay Carneros

### Waterstone Winery

#### United States - California - Carneros

The grapes for this wine were grown in the Carneros region, where soils are dense, shallow, of low to moderate fertility, and high in clay content. While the soils lead to low yields, the region's maritime climate allows a longer growing season; the end result is balanced color, flavor and acidity in the harvested grapes. This Chardonnay is produced from grapes grown in the Truchard Vineyard in northeastern Carneros; this vineyard is under long-term contracts, providing consistency from vintage to vintage.

Aromas of Meyer lemon and pear weave together with notes of flaky pastry and sweet, spicy oak. The mouth-feel is creamy and balanced with clean minerality. Flavors of bright, zesty citrus and light toast extend into the finish.
