## **Riebeek Merlot**

**Riebeek Cellars** 

## South Africa - Western Cape - Coastal Region - Swartland

One of the most popular wines in the Riebeek range, the Merlot offers an array of red berries and a soft and mellow palate. The style is elegant with well-integrated fruit and oak flavors on the nose. The palate is velvety and smooth with an aftertaste that lingers with the juicy flavors of abundant berries.

## **Specifications**

| -            |  |
|--------------|--|
| Appellation  | Coastal Region - Swartland   |
| Varietals    | 100% Merlot  |
| Vinification | Grapes were cold soaked overnight and then inoculated with<br>selected yeast. Fermentation took place at 24-26 degrees<br>Celsius. Regular pump-overs were given to enhance colour<br>and<br>flavour extraction. Oak maturation included French oak<br>staves and 2nd and 3rd fill barrels. All blended together to<br>perfection. |
| Pairings     | Serve at room temperature or slightly chilled. Enjoy with pasta or light meat dishes.  |
