Riley's Rows Sauvignon Blanc was sourced from the Redwood Valley Grape Ranch which they own and farm in Mendocino County. The wine offers a bright nose of and melon and citrus blossom. The palate opens with ripe Meyer lemon and resolves into a delightful Ruby Red grapefruit note.

Riley's goal with this wine is to offer a fresh style of Sauvignon Blanc with pretty fruit, great acidity, and a clean finish. As always, she wants to make a varietally correct wine that is well made, delicious, and affordable.
