

Rocheburg Bay Sauvignon Blanc Coastal Region

Riebeek Cellars

South Africa - Western Cape - Coastal Region - Swartland

South Africa's picturesque coastline stretches thousands of kilometers west to east, bringing together the cold Atlantic and warm Indian Oceans at Africa's southern most tip. It is here that Rocheburg Bay, sculpted with rugged mountains, draws us to the water's edge for leisure or livelihood or simply to surrender to its serenity.

Rocheburg Bay Sauvignon Blanc is lively and intense, with fresh tropical and stone fruit aromas that are well-balanced with hints of herbs and flint. A zesty acidity compliments the purity of fruit for a deliciously refreshing finish.

Specifications

Appellation	Coastal Region - Swartland
Varietals	100% Sauvignon Blanc
Agricultural Practices	Sustainable
Vinification	Treated as reductively as possible, only free run juice is settled for 2 weeks at minus 4 Celsius for extended green lees contact. Vineyard blocks are fermented separately to ensure complexity of flavour after blending.
Pairings	Refreshingly good company for any meal all year round.
