

Romariz Vintage Port

Romariz

Portugal - Douro

Deep inky purple color. Intricate nose with aromas of blackberries and logan berries, subtle hints of amber and spring blossom and delicate spice. A tight, well-formed palate with an abundance of dark berry fruit, rich chocolate and liquorice, culminating in a long finish. Firm, closely woven tannins that give the wine great structure and body. An elegant finely constituted Vintage Port which will drink beautifully now or age quietly in the cellar.

Specifications

Varietals	Touriga Nacional, Touriga Franca, Tinto Cao, Tinta Roriz, Tinta Barroca
Vinification	A vintage port is made from blended grapes, all from the same vintage year. Vintage ports are historically only declared every 3 out of 10 years. Romariz vintage ports age for up to two years in oak, then go unfiltered into the bottle for further aging.
