

Russian River Vineyards Pinot Noir Horseridge Vineyards

Russian River Vineyards

United States - California - Russian River Valley

This Pinot Noir's full, yet delicate quality makes it a highly sought-after wine. A multiple award winner. Horseridge Vineyards lies just 8 miles from the Pacific Ocean on an east facing slope facing the Mayacamas Mountains. The cool night breeze preserves the acidity in the grapes while the warm summer day allows the vines to produce just the perfect amount of sugar in each cluster.

Four consecutive vintages of ultra-premium quality fruit has marked Horseridge Vineyards as a consistently excellent source of Pinot Noir grapes. Feminine in style, balanced, elegant, fruit forward, lush, soft, sleek, lasting finish, velvet, bright fruit, great acidity, blueberry, cranberry, tart berry not over ripe fruit. This Pinot will age beautifully over the next 8-10 years!

Specifications

| | |
|---------------------|---|
