

SonVida Malbec

Sonvida (Casa Altamira)

Argentina - Mendoza - Uco Valley

SonVida Malbec is a single vineyard wine, the supreme expression of the award-winning zone of Altamira, in Argentina's Uco Valley. Altamira's smooth tannins shine through, and the combination of acidity and minerality lead the wine to a long, integrated finish.

"The wine is proud to be ripe and generous. Aromas dominated by smokey mulberry and blueberry. It's plush and coats the palate with bramble, blueberry and liquorice and the scent of vanilla. Immediately muscular and broad-shouldered in the glass, with a savory note, perhaps tapenade, running through the dense palate with mint and dried herbs on the finish. The oak will integrate over time, mixing its spice with the warm spice of fruit."
- Joe Fattorini - The Wine Show

Specifications
