

## Dry Fly Vodka

### Dry Fly Distillery

United States - Washington - Spokane

Crystal clear. Once the appearance is considered, it holds absolutely no resemblance to a classic Vodka and we mean this in very positive sense. It's amazingly fruity ( apples & berry ) with strong accents of cream soda and hints of cocoa. The palate delivers the same while being amazingly lush with a silky texture that extends the flavors for minutes.

This attractive drink has perhaps launched a new spirits category.
