

Susquehanna Pumpkin Ale

Susquehanna Brewing Company

United States - Pennsylvania - Pittston

Ahh, fall. That colorful time of year when America piles into the family station wagon on a mission to pick out the prettiest pumpkin in the patch to take home and carve a scary face into. Well, we must admit we’ve never been too good at carving. But we’re pretty good at turning a simple pumpkin into a tasty pumpkin ale. And that’s exactly what we’ve done here. This one’s got the right amount of spice – just enough to inspire anybody to give pumpkin carving one more try. So, if you’d excuse us, the family wagon awaits.
