## Maison Alain de la Treille

### France - Loire Valley - AOC Crémant-de-Loire

The wines of Alain de la Treille reflect their vineyard of origin and are produced following the estate's unique guidelines: a strict selection of terroirs and vines, elaboration according to the traditional method and long maturation "sur lattes" in order to obtain the purest and most elegant expression of the Loire terroirs.

Elegant pale yellow color. The nose is delicate and complex with an array of fruity aromas such as grapefruit and peach with a touch of brioche. The flavors are fresh with floral character and a fresh finish.
