

Ancien Chardonnay Coombsville Haynes Old Block

Ancien Wines

United States - California - Napa Valley

Inspired by the classic and most revered Chardonnay vineyard in the world, Le Montrachet, Ancien winery utilizes the same classic techniques. It is fermented in tight-grained French Oak cask after a gentle squeeze as whole clusters. The wine is not moved through the fermentation and aging period, only pushed by inert gas in gentle fashion into the bottling tank. In vintages where the wine achieves good clarity through natural settling, the wine is not filtered – otherwise it undergoes a light polish to help reveal its core of fruit.

The effusive nose welcomes with layers of lemon meringue, ripe apple, citrus zest, honey and grape blossom. The palate is vibrant and fresh, and the richly textured mouth-feel is expansive. Baked apple tart and stone fruit emerge as this opulent wine reaches the depths of your palate, with further notes brioche. The finish is a focused amalgamation of minerality and ripe fruit. Give this cellar worthy Chardonnay time to open up and it will reveal increasingly lush and creamy layers as it evolves over minutes in the glass and the years in the bottle.

Specifications	
Appellation	Napa Valley
Varietals	100% Chardonnay
Production	88 (9-liter cases)
