

Black Oak White Zinfandel

Chateau Diana

United States - California

The Black Oak White Zinfandel is a wonderful warm weather sipper. This is sometimes called our 'hammock wine' for lazy days by the river.

The Black Oak White Zinfandel shines pink and pretty. Lovely perfume aromas that remind one of ripe melons, honeysuckle in summer, and cherry blossoms in spring. The flavors are bright and delicately sweet, with a very good balance of fresh acidity that lightens up the complex texture. The succulent flavors are of juicy tangerine, white peaches and just picked strawberries. All this with an additional hint of lemon-lime and sass that make this a very approachable and fun wine selection. Enjoy chilled with friends.

Specifications

Varietals	86% Zinfandel, 14% French Colombard
