

## Clos des Cazaux Vacqueyras Cuvee Grenat Noble

Domaine Le Clos des Cazaux

France - Rhone Valley - Vacqueyras AOC

This wine is the result of extraordinary weather conditions. The first cuvée was produced in 1992 when violent storms and floods affected the region (especially Vaison la Romaine). The following days were radiant and accompanied by Mistral winds. We could then continue to harvest or more precisely harvest what remained of a rotten crop - but a noble rotten crop!

Following our first involuntary test of 1992, we wanted to reproduce this wine but we had to wait until 1995 to isolate the parcels that were capable of producing this noble rot. Unfortunately, the "noble" phenomenon does not occur every year despite late harvests (October 15).

The resulting wine is offers aromas of small red berries (cherries, raspberries), liquorice, fig, honey, fruit brandy and plum. It is elegant, supple and smooth on the palate with a firm, generous and suave structure. A beautiful length on spices and cherry.
