

Domaine de l'Ecu Muscadet Granite

Domaine de l'Ecu

France - Loire Valley - Muscadet de Sevre et Maine sur lie

The wine is produced from 100% Melon de Bourgogne grapes that are sourced from a 2 hectare-vineyard.

This Granite boasts a white gold color, an elegant nose of pronounced mineral, flint and silex notes intertwined with aromas of citrus fruits and oyster shells. The attack is sharp and straight. The mouth is pure and fresh with iodine, chalky and salty notes, and citrusy flavors. A wine of great aging potential.
