

Domaine La Maionnette Blanc IGP Mediterranee

Domaine La Maionnette

France - Provence

Domaine de la Maionnette is produced from grapes benefiting from an ideal location next to the river and planted on a clay-limestone based soil with a silty character, which brings suppleness, roundness and lightness to the wines.

La Maionnette is a brilliant straw yellow colored white offering delicate aromas of citrus fruits, and fresh notes of pear and apricot. Rich and round on the palate, and a good balance.
