

Domaine Remi Niero Cote Rotie Eminence

Domaine Remi Niero

France - Rhone Valley - Cote-Rotie AOC

The cuvee Eminence is produced from two terroirs - one consists of micaschist soils on the steep slopes of "La Vialliere", and the second one of granite soils on the steep terraces of "Bassenon", resulting in a wine of aromatic complexity, with cassis, blackberry, violet and white pepper. On the palate it is harmonious and fleshy with silky texture, showing a beautiful maturity without any heaviness. With a deep and persistent finish, this wine reveals the typicity of this charming terroir.
