

## Ferren Chardonnay Frei Road

### Ferren Wines

#### United States - California - Sonoma Coast

This vineyard has been farmed by the Martinelli family for generations, and continues to be tended by George Martinelli. A mild climate graces this corner of Sonoma, and grapes ripen slowly in the well-draining Goldridge soil. Located near the village of Graton in the rolling hills south of the Russian River, Frei Road Vineyard produces a wine of great complexity, tension, and minerality.
