

Ferren Pinot Noir Silver Eagle Vineyard Sonoma Coast

Ferren Wines

United States - California - Sonoma Coast

Silver Eagle Vineyard rests atop Stoetz Ridge, the land mass that divides the remote Sonoma Coast from the Russian River Valley. This vineyard experiences both the cooling ocean breezes of the nearby Pacific, as well as the warmth of the interior valley. The wine made from this unique confluence of climates is extraordinary: this Pinot noir is a rare balance of explosive wild berry, mouth-watering acidity, and rich, polished tannins.
