## Fullerton Three Otters Rose Fullerton Wines United States - Oregon - Willamette Valley

This Willamee Valley blend hails mainly from three different vineyards in the north, east, and south of the Willamee Valley, with a smaering from five of our other sites. The soils of the vineyards represent the breadth and diversity of the Willamee Valley with both sedimentary- and volcanic-based soils.

The story of Fullerton's rosé originates from the 2012 harvest. Winemaker Alex Fullerton and his father and proprietor Eric Fullerton couldn't decide on a house style for rosé, so they held a friendly competition. They each made a rosé to see whose would win over a crowd. Though the wines were destined to be boled separately, Alex got curious and tried blending the two. Voila! The sum was better than the parts, and a tradition was born.

Three Otters Rose offers a nose of fresh strawberries, watermelon rind, and lemon blossom with the palate echoing these flavors along with green apple and lemon. Cool climate vibrancy melds with lovely texture. Great tension and energy.
