

## Grand Veneur Cotes du Rhone Rouge Les Champavins

Alain Jaume ( Grand Veneur )

France - Rhone Valley - Cotes du Rhone AOC

"Les Champavins" stretches on 34 ha classified in Côtes du Rhône. The plots are located in the northern border of Châteauneuf du Pape, exactly from 3 meters outside the appellation. It is located in the lieux dits of "Champavins" and "Coudoulet". A small lane of rocks going through the rocky plateaux has been decided to be the AOC limit in 1936. Here, soils are made of red clay and rocks (pebbled stones of quartz). The quantity of rocks can be amazing as they can completely cover the soil. In summer and during the day, the rocks temperature will increase to 55°C. This accumulated heat will be get back to the vines during nights. Day after day, this unique phenomenon allow the grapes to reach a perfect maturity and produce a unique wine.

Intense, brilliant garnet-red color. It reveals lovely fruit, loads of body and a heady bouquet of ground peppers, raspberries cherry liqueur, currants, and spice box. Full-bodied and dense; rich and elegant - it tastes more like a "baby Châteauneuf" than a Côtes du Rhône.
