

# Hugl Sparkling Gruner Veltliner

Hugl-Wimmer

Austria - Weinviertel

Poysdorf lies on the same line of latitude as Champagne, and the climate is similar. Hugl was anxious to take advantage of their resources and produce this Veltliner-Sekt!

This bottle fermented sekt displays a pale golden color with a glint of green. Yellow fruit aromas, dry with a soft, juicy structure and a pleasing streak of minerality. Notes of crisp apple and pear.
