

## Keermont Topside Syrah

### Keermont Vineyards

#### South Africa - Western Cape - Coastal Region - Stellenbosch

The Topside Syrah vineyard is situated high up on the West facing mid-slopes of the Stellenbosch Mountain range (Elevation 350m). It was planted in 2006 on rocky soils consisting of sandstone and granite, weathered from the peaks above. Vines are trellised and run with the contour in a North South direction. The elevation, soil and aspect all contribute to spicy character and fine tannin structure of this wine.

This is an intense wine with a bright scarlet color. Pure grapey aromas are complimented by red spices, herbs and lavender. The palate has a gentle entry with subtle spicy fruit flavors filling the mid palate. The tight structure gives the wine a succulent dry finish with lingering flavors of red fruit, anise, liquorice and a mineral saltiness.
