### Portugal - Vinho Verde

Vinhão (also known as Souzao or Sousao) is a Portuguese wine grape used in the production of port wine. While originating in the Minho regions, it is used primarily in Australia, California and South Africa. In Portugal, it is also an authorized planting in the Douro, and Dão-Lafões area (Vinho do Dão). The grape is known for the very deep color it produces in a wine as well as its coarse and raisiny taste.
