Italy - Piemonte - Barolo DOCG

Barolo di Barolo is a blend of 2 different vineyards in Barolo: PREDA and SARMASSA, both in the village of Barolo. The somewhat different soils, exposures and microclimates of the Preda and Sarmassa vineyards combine to produce a well-balanced, harmonious wine packed with the fresh, elegant aromas supplied by La Preda, and the full body and structure catered for by Sarmassa.

Loads of blackberry and red berry with vanilla oak character. full and concentrated, displaying seamless tannins and gorgeous fruit. Complex and complete, full-bodied, with lots of fruit and round tannins. It's long and fruity. It will be at its best after 2-3 years stored lying down in cool, dark surroundings. Serving recommended in large glasses at a temperature of 17-18°C.
