Long Shadows Dance Chardonnay

Long Shadows Vintners

United States - Washington - Walla Walla Valley

Allen Shoup and winemaker Gilles Nicault have experimented with Chardonnay since the beginning of their collaboration on the Long Shadows Vintners project. The wine was fermented using a proprietary process to achieve a wonderful balance of richness and minerality. Two of Washington's oldest Chardonnay vineyards provide the grapes for this limited production wine. Wente clone Chardonnay from French Creek Vineyard, east of Prosser – including a selection of old vine Chard (40%) – and Boushey Vineyard, north of Grandview, were chosen for the vibrant, lively character that defines Chardonnay grown on both these sites.

A layered, aromatic wine that displays minerality and white blossom fragrances with flavors of white peach, apple and a hint of baking spice woven throughout a subtle, creamy texture.
