Specifications

Appellation	Barbera d'Asti DOC
Wine Type	Red
Varietals	100% Barbera
Age of Vines	Between 20 and 25 years old
Soil type	lime, mixed consistency tending towards clay.
Vinification	Altitude: 270 m above sea level. Plant density: 4500 vines / hectare. Vine training system: traditional Guyot. Harvest: manual, into small perforated crates, between the end of September and the first 10 days of October. Vinification: temperature-controlled maceration and fermentation last an average of 10 days at 28°C. After malolactic fermentation, one third of the wine is aged in 3,500-liter oak foudre, while the other two thirds mature for a few months in steel tanks and is released for sale in the spring following the year of production.
Pairings	Suitable as an aperitif with appetisers and sliced meats, it is perfect throughout a meal. It is perfect with pasta dishes featuring tagliatelle and ravioli, as well as with meaty main courses, such as stews and roasts. Interesting with medium-mature cheeses, with Toma and Pecorino.
