### Pago de los Capellanes

#### Spain - Castilla y Leon - Ribera del Duero

Crianza is the essential wine. Balance and integrity. It displays the fine manners of experience and the grace of plethoric vine. Juicy black fruit on the palate inviting you to eat well and feel good.

But there is more. Crianza maintains an invisible pact with the landscape. An imperceptible force that brings us closer to the truth of the place. And instantly turns extreme climate vineyards into the most welcoming place in the world.
