

Pago de los Capellanes Ribera del Duero El Picon

Pago de los Capellanes

Spain - Castilla y Leon - Ribera del Duero

There are afternoons with indigo skies when we approach one of the oldest plots of the estate. Our stroll from the winery follows a line of cypress trees to the corner of a path. This angle gives its name to our most exceptional vineyard.

El Picón is the great symbol and the most profound reality. The sum of enigmas in a beautiful, pure fruit. The wine of silence and intimate joy, an eternal taste in which generations, labours and nature's favors culminate.
