

## Perchaud Chablis AOC

Corinne Perchaud

France - Burgundy - Chablis

The wine is produced from parcels that are located predominantly in the village of Fleys, but also in the communes of Chichée and Fontenay, and spreading over 13 hectares total. They are mostly north and north-west oriented. The ground floor is Kimmeridgian marl, consisting of clay and limestone. The oldest of the vines is 35 years.

A classic Chablis with aromas of fresh white fruits, citrus, white flowers, minerality and a long finish.

### Specifications
