

Rubus Shiraz Barossa

Rubus Project

Australia - South Australia - Barossa Valley

The grapes for this wine were sourced from the second largest vineyard owner in the Barossa Valley, mostly from Bay of Biscay soils. The wine features 15% super premium Shiraz, which was aged in rich American oak coopered in France (more delicate & yielding more elegant, longer tannins). The remaining wine saw American oak, most of which was sourced from the Appalachian mountain range. The coopers say that these barrels add a spicy nose and creamy mid palate, almost like lemon cream. They tend to have less sweet oak character and therefore helps retain the perception of acid line.

This richly concentrated Barossa Shiraz is indicative of the style for which Australia's top production region is famous. The wine is dark in color, rich and dense. There are ample tannins balanced by the powerful fruit. You will note the hints of blackberries, mint, and eucalyptus flavors upfront and in the finish.

Specifications

Appellation	Barossa Valley
Varietals	98% Shiraz & 2% Viognier
Soil type	carbonaceous clay (Bay of Biscay)
Vinification	The Viognier was co-fermented (50/50) with super premium Shiraz, then back blended with Shiraz before filling to oak. Malolactic fermentation; alcohol fermentation. 15% aged in American oak coopered in France; 85% aged in American oak coopered in America.
Pairings	Try Rubus Barossa Shiraz with rich dishes like lamb shank, Osso bucco, beef steak or roast duck.
