

Russian River Vineyards Pinot Noir Cuvee

Russian River Vineyards

United States - California - Russian River Valley

The thought of this blend is to showcase the harmonious nature of all Russian River vineyards together and how well they can complement each other. This is an elegant blend of wines from five of Russian River vineyards with a unique flavor that they consider to be the essential "Russian River Valley" wine. This wine is a striking complement to their traditional single vineyard approach. It affords them the luxury to mix & match the distinct characteristics and flavor profiles from the various vineyards. And it is anything but your traditional "blend". Because it is made exclusively from premium single vineyard wines, they think it is a cut above typical Cuvées. Case in point: 35% of this blend was aged in new french oak barrels, a level you will rarely, if ever, see in a Cuvée. Even better, this wine is an incredible every day value!

This is a spicy, lush, and bright wine with notes of cherry.
