

San Elias Syrah

Vina Siegel

Chile - Central Valley Region

Lovely and intense ruby color. It has a nice aroma with reminds of black fruits, spices and some tones of vanilla. In mouth is fresh and well rounded, with good concentration and persistency.

Specifications

Varietals	100% Syrah
Agricultural Practices	Sustainable
Vinification	<p>VINIFICATION: Alcoholic fermentation between 26° and 28° to get more color and structure. Post fermenting maceration for about one week. Then the juice was separated from the skins. Part of the wine was put in the oak. Complete malo-lactic fermentation.</p> <p>FINNING AND FILTRATION: After the blend was done a soft clarification, a cold stabilization and a filtration were done. When bottling an on-line filtration was done through a plate and a membrane filter to assure microbiological stability.</p> <p>/> AGING: 15% of the volume for 3 month in oak.</p>
Pairings	Barbecue pork ribs.
