

St. Nikolaus Brauneberger Juffer-Sonnenuhr Riesling Spatlese

Weingut St. Nikolaus-Hospital

Germany - Mosel

The Brauneberger Juffer Sonnenuhr is produced from a vineyard facing the small town of Brauneberg formerly Dusemond. It's a steep slate slope on the Mosel, with a south-southeast exposure and enjoying a very special microclimate, which produces mineral and remarkably fine fruity wines.

This beautiful Riesling impresses with exotic fruits such as papaya, peach and mango. Full-bodied with typical Devonian slate qualities. Luscious fruit, nice minerality, length and acidity. The spicy and mineral notes give the wine the depth it needs.
