

Sunset Hills Shenandoah Springs Chardonnay

Sunset Hills

United States - Virginia

This is our first release of a clone-specific wine for Sunset Hills. The goal is to show you a specific terroir, one that year after year delivers excellent fruit quality. I chose clone 96 for its complexity both in ripening and barrel aging. During ripening, the fruit has notes of pineapple and pear with great acidity. I saw this wine as a chance to highlight not only the vineyard, but how detailed we can get in growing and making wine.

100% Chardonnay:
75% Clone 96
20% Clone 76
5% Clone 17

Notes of light honeysuckle, Asian pear, raw almond, and lemon custard. Medium body and medium acid.
