

Tiza Tempranillo (Bag-in-Box)

Tiza

Spain - Castilla-La Mancha - Vino de la Tierra de Castilla

Tiza means 'chalk' - an ode to the soil. The one-foot-deep topsoil is composed of sand and red clay, blended with chunks of pure chalk. Another layer of chalk mixed with sand lies under the soil.

The best Cencibel (Tempranillo) vineyards are selected for Tiza. Most are bush vines at 700 meters above sea level with an average age of 30+ years.

This 100% Tempranillo is fermented like a Rhone style red, with whole berry skin contact. Juicy, clean & fresh, with aromas and flavors of ripe black fruit, blueberries, black cherries and hints of dark chocolate. Full bodied with a solid texture, velvety tannins and a slightly sweet, creamy finish. All this in a budget-friendly, bag-in-box package!
