

# Wolfberger Cremant d'Alsace Reverence IX

## Wolfberger

### France - Alsace - Cremant d'Alsace

This Crémant shows a brilliant and shining gold color. The bubbles are fine and form a persistent ring.

The complex nose presents a floral character of acacia flowers, with light tones of brioche and a roasting hint. This racy character comes from the high quality of this cuvée carefully selected and aged 30 months on lees.

The mouth is enhanced by a fine and refreshing acidity, great and persistent floral flavors and an unctuous and delicate effervescence.
