

Xavier Vignon Vacqueyras Rouge

Xavier Vignon Vins

France - Rhone Valley - Vacqueyras AOC

Vacqueyras is a blend of 80% Grenache noir, 10% Syrah and 10% Mourvèdre. Each grape variety comes from different terroirs: Syrah comes from clay and limestone as well as clay alluviums. Grenache comes from 60+ year old vines planted on terraces of rolled pebbles. Centenaries Mourvedre are planted on alluvial terraces.

The wine shows a rich and expressive nose and beautiful aromas of ripe blackberries, dark plum supported by spicy notes and fine and well integrated toasty nuances. Dense, textured and velvety on the palate, with firm and silky tannins, concentrated blackberry flavors. Full-bodied, slightly chewy yet elegant and well-balanced. Dried herbs towards the compact, spicy finish.

Specifications

Appellation	Vacqueyras AOC
Wine Type	Red
Varietals	80% Grenache noir, 10% Syrah and 10% Mourvèdre
Age of Vines	60-100 years old on average
