

Yuz Me Sake

Sekai Itto

Japan - Wakayama Prefecture

Sekaiitto Wakanomegumi Ryujin No Yuzu

Yuzu fruit originated in China around the Yangtze River region and was brought to Japan & Korea 1300 years ago. This unique fruit is a key ingredient in Japanese cuisine. With the appearance of an irregular lemon, it smells like lemon and lime, yet tastes like a tangerine.

Yuzu Me Sake with natural flavor, is best served over ice or use to make cocktails. Kanpai!
